June 3, 2014

Dear brothers in Christ,

The Michigan District of the Wisconsin Ev. Lutheran Synod sends fraternal greetings to you as we meet together in our District conventions this summer. It is our prayer that the oneness we share may be strengthened as we gather to study God's Word and conduct the business of our Lord's Kingdom.

The Michigan District will meet in convention on June 9, 10 and 11, 2014 at Michigan Lutheran Seminary in Saginaw. The theme of our convention this year is "We Have This Treasure in Jars of Clay" (2 Cor. 4:7). Professor John Brug of WLS will present an essay based on this verse, reminding us that the all-surpassing power of the Gospel "is from God and not from us."

The pastors, teachers, staff ministers, vicars and lay delegates of the Michigan District pray that the gospel message of the grace and peace of our risen Lord and Savior will be with you and with all the conventions of our dear synod, so that we may continue to walk together in this victory of our Christ!

We also wish to thank you for the greetings you have extended to our District and for your prayers on behalf of all the brothers who serve with us in the WELS.

In his service with you,

Pastor James P. Seelow

James P. Seelow, Secretary
Michigan District, WELS
