Dear Friends at Convention: Arizona-California District,

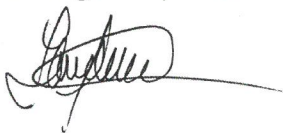

“Give thanks to the Lord, for He is good. His love endures forever (Psalm 136:1).”

We give thanks for you. With your generosity World Missions continues to share the peace we have in the gospel promise with more people all over the world. There will always be new places to go and people that have not yet heard about the truth of Jesus Christ. Your prayers and support help us carry out this work. Thank you for your special gifts above and beyond your congregational mission offerings.

Your gift of \$2,215.63 was received on 6/26/2018 and was directed to WELS-NAM-Special Projects as requested. Your gift will be used to help support non-budgetary projects in Apacheland and to assist with renovation and maintenance to the church and school properties and equipment upgrades. The focus is on building Christian leaders for long-term stability of the church.

We continue in foreign mission fields because the Lord of the Church tells us we must. Jesus told his disciples and he tells us too, “And you will be my witnesses, telling people about me everywhere—in Jerusalem, throughout Judea, in Samaria, and to the ends of the earth (Acts 1:8).” We are reminded that through the gift of the Holy Spirit, we have the strength to boldly share the truth of the gospel which is salvation through Jesus Christ. We will continue to be witnesses, telling people everywhere around the world about Jesus. Thank you for your gifts and prayers.

Serving with you to make Christ known by many more,

Rev. Larry Schlomer
Administrator, World Missions
