

DISTRICT COMMISSION ON EVANGELISM

The AZ-CA District Commission on Evangelism exists to assist congregations to seize every opportunity the Lord provides to evangelize lost souls, making use of media communications, structured programs and every member witness.

I. School of Outreach (SoO)

The School of Outreach remains our #1 hands-on effort to help congregations reach out with the Gospel. The curriculum is divided into two one-day seminars. The presenters work with the congregations during their planning sessions and then follow up with the leaders of the congregations to offer continued support.

Session One: (September-October)

1. Organizing / Planning for Outreach
2. Locating Prospects
3. Prospect Nurture and Witness

Session Two: (January-February)

1. Friendship Evangelism
2. Church Identity
3. Worship Welcome
4. Assimilation

In the recent years, Pastor Mike Hintz (Synod's Commission on Evangelism Chairman) has been training the pastors of each districts' Evangelism Commission to lead SoO. This continues to be a huge blessing for our synod. Many more congregations and members are able to attend.

In our district this is also true: 2 Schools of Outreach are underway this fall/winter. On Sept. 20, 7 congregations meet at East Fork and on Oct. 4, 4 congregations met at St. Paul's N. Hollywood for Part I. All members of our Districts' Commission on Evangelism have been trained to lead SoO.

Since 2012, 21 congregations and over 175 people have attended a School of Outreach. Since its inception there have been over 200 Schools of Outreach.

Our District Commission is meeting this week to talk about future plans. One offer has been received for the northern Arizona (Flagstaff/Chino Valley) area. If you would like to host a School of Outreach, please speak to one of the members.

COMMISSION ON EVANGELISM

Mission Statement

The Commission on Evangelism exists to assist congregations to seize every opportunity the Lord provides to reach people with the gospel of Jesus Christ. Our service to WELS is to develop and promote evangelism resources that faithfully proclaim the truth of Scripture; to promote evangelism attitudes, structures, and programs consistent with Christian doctrine and the situation into which God has called a church, its pastors, and its people; and to promote the "equipping of the saints" for organized congregational evangelism and individual Christian witness.

- **God's Great Exchange** is available on DVD. This is a 17 minute role-play of an evangelism visit. The basic principles of evangelism visitation are explained and put into practice in the God's Great Exchange approach. Currently it is on sale from \$11 down to \$7. NPH OL-387875

- Finally, I have been working with our local newspaper (owned by Gannett) to get out Christmas invitations and flyers. Most of us are familiar with Jon Schroeder's postcards through the C13, E13... programs. This new method allows us to get a full size 8 ½ by 11, full color, two sided flyer into every home without any postage. In Reno/Sparks, our two churches are going to work together, getting out 85,000 flyers for a \$2,200 – about 1.3 cents a each.

Update – October 2014

SCHOOL OF OUTREACH

Currently, there are 60 congregations participating in the [School of Outreach](#) program in 10 locations, from Long Valley NJ to North Hollywood CA and places in between. The program has reached a milestone: the 200th School of Outreach is being conducted this month. This tally covers a period of 21 years, starting in 1993.

EVANGELISM DAY AT MARTIN LUTHER COLLEGE

The tenth annual Evangelism Day will be held at MLC on January 21, 2015. The day for focusing on personal and congregational evangelism starts with a special worship service, involves each class in two workshops, and includes various “elective” presentations.

OUTREACH MOVIES

Two movies have been developed through a collaborative effort of the WELS Commissions on Evangelism and Adult Discipleship, Northwestern Publishing House, and WELS Multi-Language Publications. Both movies were professionally produced by the award-winning producer Boettcher-Trinklein TV, Inc. The first movie completed several years ago, *Road to Emmaus* (www.roadtoemmausmovie.com), conveys the vital message that Jesus is the world’s Savior who was promised by God throughout the Old Testament and fulfilled God’s saving plan by his sacrificial death and his glorious resurrection. The second movie released in the fall of 2013, *Come Follow Me* (www.comefollowmemovie.com), conveys the meaning and blessings of following Jesus to comfort, strengthen and guide us as the Lord’s disciples today.

About a quarter million *Road to Emmaus* DVDs are in worldwide distribution. And since its release last October, nearly 100,000 DVDs of *Come Follow Me* have been distributed. The movies, together with supplemental study materials, are used by congregations for classes and outreach. In addition to English, *Road to Emmaus* and *Come Follow Me* are dubbed in several languages for use in our mission fields. Efforts are ongoing to supply the movies in more languages to increase our reach for delivering the saving message of Jesus.

Since these movies are so effective in helping us share God’s Word with many people, work on a third movie is underway. It will visualize the advent of Jesus and his ministry mainly from the viewpoint of his mother, Mary. The key truth of this upcoming movie is that God himself was born into our world as true man; he is Jesus our Savior who lived, died and rose from the dead to give us eternal life with God. The goal is to have the movie ready initially as an outreach tool for Christmas 2015.

DAILY DEVOTIONS

Daily Devotions are provided by the WELS Commission on Evangelism. The texts and podcasts of devotions are available every weekday on the WhatAboutJesus.com and WELS.net websites. Readers can also [subscribe](#) to have devotions sent to them by email, joining more than 9,700 people who now receive them this way. The [WELS Mobile App](#) is another option for accessing the devotions on mobile devices. The pattern is that on Monday, Tuesday and Wednesday devotions are based on the Scripture readings that are commonly used in our churches the previous Sunday. On Thursday and Friday a special series is

followed. Access the devotions for your own spiritual growth. Use them with your family. Share them with others. Let the word of Christ dwell in you richly!
