

The WELS Commission on Adult Discipleship (CAD) assists congregations and called workers in helping individuals grow in their relationship with Jesus and become better equipped to use their unique gifts to bring Christ's love and the gospel message into all their daily relationships and activities. See pages 48-49 of the RTTD for further details.

Interactive Faith Bible Studies

- Live-streaming for groups.
- Archived videos for groups or individuals.
- In preparation for the 500th anniversary of the Lutheran Reformation there will be a fall topic in connection to the significance of God's grace given to the world through the Lutheran Reformation.
- Visit <http://cad.welsrc.net/downloads-cad/interactive-faith/>

Marriage Enrichment

- These Friday through Sunday events have helped couples develop healthy habits and practices by applying the grace of God to their relationship. By conducting these events, the CAD not only serves pastors and wives in their own marriages, but it also provides pastors who attend valuable resources for enriching the marriages in their churches.
- Visit <http://cad.welsrc.net/downloads-cad/marriage/>

Women's Ministry

- The Women's Ministry Conference will be July 21-23, 2016 at Wisconsin Lutheran Seminary.
- The Women's Ministry Committee also offers a number of Bible studies, devotions, Advent by Candlelight services, and other material of interest to women's ministries. Find all resources and more information at www.wels.net/women.
- Mary Jo Barnes is the Women's Ministry Coordinator for the Arizona - California district.
- She is presently looking for each congregation to nominate one woman as a contact. You can email your contact to her at mjobarnes@netscape.net.

Video resources

- There are many online resources to use as guides for Bible study of the three videos: *Road to Emmaus, Come Follow Me* and *My Son, My Savior*.
- Visit <http://cad.welsrc.net/downloads-cad/spiritual-growth/>

District website

- We will soon be posting Bible studies written by pastors of the AZ-CA district to the district website. There will be a link which includes guidelines that need to be met in order to have a study posted online.
