Board for World Missions

Report

We note with joy and thanks to the Lord of the Harvest that the Gospel continues to be proclaimed in 23 different countries to more than 328,000 souls by various means.

We also rejoice that the WELS Board for World Missions has been able to train men for pastoral ministry in their own countries as well as to help them in training many others for various forms of gospel presentation in their home countries.

Respectfully submitted,

Pastor James Werner, Chairman

Pastor Paul Johnston, Secretary
