Congregational Services

Report

Our floor committee was pleased with the work done by WELS Congregational Services in their efforts to reorganize and streamline their operation. Furthermore, we were pleased with future initiatives such as the C18 synodwide campaign, the Congregational Services Resource Center and the 2020 National Leadership conference. Furthermore, we are pleased with the direction and work of the Translation Liason Committee. Finally, we commend WELS Congregational Services on their studies and guidance to WELS congregations in an effort to cut “back-door losses.”

At this time, our committee finds no resolutions to be made.

Respectfully submitted,

Teacher Michael Ross, Chairman

Mr. Bruce Hartwig, Secretary
